New RV Book just for kids! The “Airstream Adventures” series is geared to teach children about exciting “real-life” places that they can visit and experience their own adventure. The book teaches them about exciting destinations and includes some history and facts within the story. Lets get them beyond the screen and into “Real Places - Real Adventures!”

The book is available on Amazon.com, Barnes and Noble, and Apple iTunes.

### Book Description

The book is a full-color illustrated book available on all eBook formats as well as a 34-page 8.5” x 8.5” color paperback. The first book in the series is titled “Alien Encounter in Roswell”.

In “Emma and Scotty’s Alien Encounter in Roswell”, Emma tells Scotty all about the “alien incident” that happened outside of Roswell, NM in 1947. Emma doesn’t believe in aliens, but her little brother Scotty does. He loves the idea of meeting a real alien and can’t wait to visit Roswell. They go to the UFO Museum, and something happens there that neither of them would have ever expected!
